hOme enters US market with C3 Worldwide

Following up on Europe and Asia, HOME TIMELAB Ltd. is proud to announce its collaboration with C3 Worldwide to enter the US market this Fall. The new watches & accessories brand is about to be introduced in select stores across North America, a major step in the company's young life:

"The interest Home has received since we launched earlier this year has been overwhelming. Being able to partner up with a company like C3 emphasizes the great potential for the brand. We are excited to work closely with the whole crew at C3. They know what it takes to build a good brand, and their level of professionalism and market knowledge makes them the perfect fit for hOme." Says hOme CEO and co-founder Eddy Dousse.

"Perfect timing for C3, and we're excited to bring hOme to the US market." "Swiss quality and workmanship have always set the standard in watchmaking and hOme delivers both." Bob Gundram, President C3.

About hOme

Founded by Swiss brothers Jak and Eddy Dousse and their Canadian friend Steve Harris, hOme is a lifestyle accessory brand concentrating on fine Swiss watchmaking. Anchored in the boardsports lifestyle with extended views on fashion, hOme believes in telling stories through the products they make.
